ELIS SEIS - Data Gaps - Report PART A (DRAFT) (04Sep13).pdf

Hi Jeannie, Joe, George, Jim, Walter,

The report did not go through the email. I therefore separated the report into the main body (Part A) and Appendices (Part B, to be emailed separately shortly).

As mentioned previously, the report as a single document (in WORD and as pdf) is available on SharePoint.

Bernward.

Subject: ELIS SEIS - Data Gap Report (Draft)

In a separate email I will send you the pdf of the main data gap report. The size is 11mB so I am not sure if it will go through the email. However, I have posted the report on the SharePoint site (under Task 2):

1. As a pdf with Appendices A and B included. Appendix C (Jim's Physical Oceanography literature search and data gap report) will follow at the end of this week or the beginning next week, as Jim is still incorporating additional comments received last week.
2. As a WORD file (without Appendices A and B; these two appendices are therefore also included on the SharePoint site as separate pdfs).

Please review the report in the next two weeks, if possible, as it could form the basis for the discussion of 'Next Steps' during the CTDOT Project Team conference call on Wednesday, September 18th at 1:00pm.

Thank you,

Bernward.
